Spells, Abilities and Powers:

A large rectangular area with horizontal dashed lines for writing, overlaid with a faint, stylized dragon illustration. The dragon is depicted in a dynamic, coiled pose, facing right, with its head raised and mouth open. The illustration is rendered in a light gray, sketch-like style, showing scales, spines, and wings. The dragon's body is coiled in a large 'S' shape, with its tail extending towards the bottom left. The head is detailed with horns and a fierce expression. The overall appearance is that of a background watermark or a decorative element on a character sheet.
